SUMMARY

As a new graduate, I'm dedicated and committed to continuous self-development and the pursuit of new knowledge. Despite not excelling initially, I demonstrate a persistent and determined attitude towards learning and improvement. I'm diligent and dedicated to collaborating within a team. I'm eager to learn more about technology and other skills. I have developed a range of skills through hands-on experience, internships, and projects. I'm ready to embrace new opportunities and tackle challenges with a positive mindset.
